

3rd Mid-Autumn Festorama 2014 Paper Folding Lantern Workshop

About Paper Folding

The art of paper folding can be traced back to China in the 1st Century when paper was first invented. 500 years later in the 6th Century, paper making method has been passed on to Japan together with the art of paper making ("Origami" in Japanese language). It was not until the 1950s that the art of paper folding became popular worldwide by Japanese origami artist Akira Yoshizawa and the term "Origami" has been widely accepted in the West.
